

Quilter's Academy Class Policy

The following will ensure your success for any classes you ever take from any instructor.

Prior to class review the supply list so you have **all** required items. You won't always be taking classes in a quilt shop where you can purchase forgotten items.

If there is work to be done prior to class be sure this is done. You will fall far behind if you don't. Always press your fabric using sizing.

Be on time, the instructor may not be able to help you catch up. So you can get the utmost benefit of the class plan to stay until the end of the class. Arriving late or leaving early disrupts the entire class.

No children or visitors are allowed in class. Please either turn off your cell phone or set it to vibrate. If you must take a call please step out of the room.

To reserve your place in a class payment in full must be received prior to class.

Cancellation policy, to receive a full refund you must cancel 2 weeks prior to class. Refunds for late cancellation will only be made if we can fill your slot. Otherwise your class fee is forfeit.

Feel free to print this page as it will apply to most classes you take anywhere.
